You should contact your Local Inspector of Taxes in relation to this. If tax credits are not allocated at the time of receiving this form, Ark Life will not be in a position to pay a refund of any over deducted tax. You may apply to Revenue for any over deducted tax at the end of the tax year.

If you have contacted Revenue to assign tax credits, please tick here

Retirement Option 4ii) will incur a tax liability of 10%. This tax is non refundable, so you cannot apply to Revenue for a tax refund at the end of the tax year.

6. Leaving Funds in PRSA (vested PRSA) or Taxable Cash Option

Please answer the following questions. In order to be eligible for the taxable cash option you must be able to answer 'Yes' to at least one of the questions below. If you have a PRSA and you cannot answer 'Yes' to at least one of the questions you must leave €63,500 (or such lesser amount where the fund is less than €63,500) in your PRSA. This is called your restricted fund. You will not be able to draw down any of this value until age 75 unless you meet the guaranteed income for life requirement at a later date.

Eligibility Option

Yes I have used or I am in the process of using at least €63,500 of my pension fund to invest into an Approved Minimum Retirement Fund or to purchase a pension for life, from Ark Life or another provider.
Important: Please attach confirmation from Qualifying Fund Manager or Insurance Company.

Yes I have a guaranteed pension income for life of at least €12,700 per annum, including State Pension Entitlements.
Important: Please attach proof of all pension income e.g. copy payment advices, letter from administrator / Social Welfare annuity schedule, a receipt from An Post where pension is collected, etc.

Yes I have a restricted fund of €63,500 in a vested PRSA with another PRSA provider.
Important: Please attach confirmation from PRSA Provider.

Yes I am aged over 75.

Please note: If leaving funds in a PRSA (vested PRSA), from the year you turn 61 we will deduct a minimum withdrawal of 4% (or 5% from the year you turn 71) of the value of your vested PRSA at the end of the year. Where the total value of your vested PRSAs and ARFs exceed €2million, a withdrawal of 6% from your vested PRSA must be made each year. It is your responsibility to let us know if you have other ARFs and vested PRSAs with a total value greater than €2million. This is automatically deducted from your vested PRSA and paid to you net of income tax, Universal Social Charge and PRSI (if applicable) and any other taxes due at the time. This minimum withdrawal does not apply to the first €63,500 of your vested PRSA, unless you have an AMRF or other vested PRSA that meets this requirement or you are in receipt of a guaranteed pension income of €12,700 a year.

Unless you tell us otherwise, your regular contributions will stop at the date of your retirement lump sum claim. It is possible to continue paying contributions into your PRSA after your claim and you should talk to your Financial Adviser should you wish to do so.
